OFFICE MEMORANDUM

UNITED STATES GOVERNMENT

January 31, 1951

TO : Regional Director, San Francisco
Attn: Regional Property Coordinator
Edmund Baxter, Property Utilization Coordinator

FROM : Health and Education

SUBJECT: Point Pinos Light Station

In response to your memorandum of January 26, 1951, letters have been written to the Coast Guard and to GSA notifying those two agencies of the interest of the City of Pacific Grove, California, in acquiring 2.23 acres of land located at the Point Pinos Light Station for a sewage disposal plant.

In a telephone conversation with a representative of the U. S. Coast Guard it was indicated that a decision had not yet been made as to whether or not the subject land will be reported as excess to the needs of the Coast Guard.

We will keep you advised of any developments in this regard.
