

PLEASE RETURN THIS FORM WHEN THE PROPERTY IS RESUBMITTED. DATE 5/3/74
NAME OF PROPERTY Point Pinos Light Station Calif

The attached National Register Inventory-Nomination form is being returned to your office for clarification of the information indicated below.

7. Description of physical appearance needs elaboration. Individual buildings and structures should be described in detail, using appropriate professional terminology and the description should detail what alterations, if any, have occurred. Points to include:
- size and height; material; type of roof, windows, etc.
 - form (conical, octagonal, iron or steel tower)
 - associated structures (keepers house, sheds, etc.)
 - remains of previous structures
 - basic dimensions
 - types of illuminants and lenses used
 - style
 - distinguishing details
 - mechanical equipment
 - any other special features, mechanical or architectural alterations, if any

N.B. If Coast Guard/lighthouse terminology is used, please include an adequate explanation.

8. Significance. This section should include the period of construction or use, historically significant events, data concerning individuals associated with property, architects or engineers associated with property. If the building is nominated for its architectural significance, give justification for this statement. If there are any unique engineering features, of historical importance, so indicate. If a building is nominated for landscape architecture, give examples in photographs and in verbal description.

12. Certification. Please have the State Historic Preservation Officer sign the nomination, as well as the Federal representative, Mr. Robert F. Crecco. Nominations cannot be accepted without these signatures.

Map coverage. Please use a 7.5 or 15 minute series USGS map or a State highway map with a series of co-ordinates. Xerox copies are not acceptable. No other maps will be accepted.

Technical information and guidelines useful for lighthouse nominations will be compiled by the staff at the National Park Service within the month. We suggest that nominations not be resubmitted to the National Register until copies of these guidelines are distributed.
