Dear Dr. Bell:

I am enclosing a copy of a letter recently received from Mr. James R. Short, Vice President for Preservation and Research at Colonial Williamsburg re sandblasting of the Point Pinos Lighthouse. I had the opportunity of talking with Mr. Short and several other experts in preservation at the recent American Association of Museums Conference in Seattle.

I would appreciate your passing this on to Commander Reckitt, Mr. Dunlow and others who may be interested in the problem.

Sincerely,

Vernal L. Yadon  
Director
