Dear Mr. Wall:

I am following up our telephone conversation of 7-15-77 re the Point Pinos Lighthouse here in Pacific Grove. The point of our discussion was that a tie-up appears to be delaying our receiving official permission to begin restoration work on the lighthouse building. A telephone conversation with Dr. Nancy Bell of the U. S. Coast Guard office in San Francisco indicated that the delay was due to the Coast Guard not receiving the National Council's review and comment.

I will appreciate any help you can give in the matter.

Enclosed is a copy of the restoration work proposed.

Sincerely yours,

Vernal L. Yadon  
Director
