Dear Mr. Bales:

Please refer to your letter of 7 November 1978 concerning your license to operate Point Pinos Lighthouse as a museum.

I applaud the work Mr. YADON and his staff have done in preserving the lighthouse and strongly desire that this excellent museum program continue. I understand your recent funding limitations and will have our license amended to make major maintenance on the lighthouse building the responsibility of the Coast Guard. I look forward to continued cooperation between our two agencies for the benefit of the general public.

If we can be of any further assistance please don't hesitate to contact CDR J. S. BLACKETT of my staff at the above address or by telephone (415) 556-2560.

Sincerely,

E. L. COPE
