From: Commander, USCG Group Monterey, CA
To: Commander, Twelfth Coast Guard District (ecv)

Subj: Sprinkler System at Pt. Pinos Lighthouse; installation of

1. Enclosure (1) is forwarded for your review and action. We believe that the installation of a lawn watering system will enhance the appearance of the grounds which surround the lighthouse. We have two basic desires. First, the system should be connected to a meter which is registered in the name of the City of Pacific Grove. That way the Coast Guard won't be hit with the water bill. Second, the installation of the Coast Guard gas line should be made prior to that of the watering system.

2. Please contact CW02 GEHRING at 408-375-2278 if additional information is required.

Mr. Bales

The local newspaper said you need people to help install the system. We'd be glad to assist.
