Dear Sir:

Please refer to your letter of 5 November 1980 requesting renewal of License Number 12LI-03-75 which provides for use of the Point Pinos Lighthouse as a museum by the City of Pacific Grove.

This letter renews said license for a period of Three Years (03) years commencing 1 January 1980, subject to the same terms and conditions as set forth in the original license. This renewal will cover 31 December 1979 expiration through 31 December 1982. Parenthetically we are in the final process of putting together a new five year license that will commence 1 January 1983.

If this renewal is acceptable, please have the proper authority date and execute the enclosed copy of this letter and return it to the letterhead address.

Additionally, in order to comply with the new numbering system in our Real Property Manual, the license number for this license has been changed to DTCG-Z71112-82-RP-009L. Please refer to this new number in any future inquiries regarding this license.

We apologize for the delay.

Sincerely,

A handwritten signature in cursive script, appearing to read "R. J. Richmond".
