

DEPARTMENT OF TRANSPORTATION
UNITED STATES COAST GUARD

Address reply to:
COMMANDER
Twelfth Coast Guard District
630 Sansome St.
San Francisco, Calif. 94126
415-556-5890

11011
6 August 1982

Mr. Gary W. Bales
City Manager
City of Pacific Grove
300 Forest Avenue
Pacific Grove, California 93950

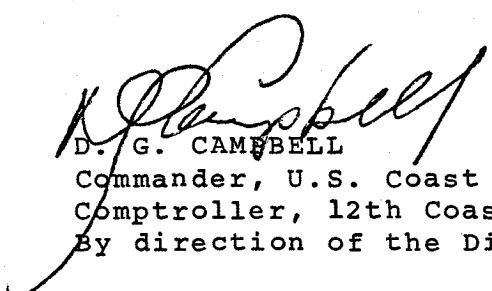

Dear Mr. Bales:

Please refer to your letter of 4 June 1982 requesting permission to install a sprinkler system on the grounds of the Point Pinos Lighthouse property.

The Coast Guard is pleased to give the City of Pacific Grove permission to install a new sprinkler system on the lighthouse grounds. Once the sprinkler system is installed, we will evaluate and revise the estimated water usage to be included in the new five (5) year license that will commence 1 January 1983.

Please convey our sincere appreciations to the individuals who so generously contributed money for the purchase of the new sprinkler system. Our thanks also to the City of Pacific Grove for their concern and active support in this matter. If you need help with the sprinkler installation work, please contact Lt. Thomas G. Landvogt, Commander, Coast Guard Group Monterey, 100 Lighthouse Avenue, Monterey, California. Lt. Landvogt may be reached by calling area code 408-375-2278.

Sincerely,

D. G. CAMPBELL
Commander, U.S. Coast Guard
Comptroller, 12th Coast Guard District
By direction of the District Commander

Venn

Do you plan on going ahead on this?
