Dear Mr. Wheeler:

Last August the City of Pacific Grove was given verbal notice that a change would be forthcoming in our agreement with the Coast Guard for our museum operation at Point Pinos. Mr. William S. Pitt, Administrative Services Director, informed me that his understanding was that a new license was to be issued last November. He also stated that he was told it would contain significant changes.

The city is very interested in learning what changes might be affected in our agreement and have been holding off on installation of the lawn sprinkler system and certain maintenance until the changes could be examined.

Would you please check to see what may be forthcoming?

Thank you.

Sincerely yours,

Vernal L. Yadon
Director
