Dear Louise:

In behalf of the Board of Trustees and staff of the Pacific Grove Museum of Natural History, I want to thank you for your generous contribution to the museum.

Your help comes at a time when we are attempting to complete our building. While the amount of work still needing to be done is not great, it none-the-less includes considerable expense.

We are grateful for your support.

Thank you.

Sincerely yours,

Vernal L. Yaden  
Director
