Subject: Coast Guard Licenses for Lighthouse  
Reservation

Included on the agenda are resolutions approving licenses from the Coast Guard for City use of portions of the Lighthouse Reservation for museum and golf course purposes. The City Attorney and I have reviewed the new licenses and feel they do not present any major problems for the City. The City has had agreements with the Coast Guard since the 1960's for the use of this property and have always found the Coast Guard to be very cooperative. The licenses are for 25 year periods.

We recommend approval.
