RE: POINT PINOS LIGHTHOUSE
RESTORATION OF DINING ROOM & VESTIBULE

DEAR PAUL:

OUR WORK AT THE LIGHTHOUSE IS AT A STANDSTILL UNTIL THE ASBESTOS TILE IS REMOVED FROM THE VESTIBULE & DINING ROOM FLOORS. UNTIL THIS REMOVED WE CANNOT REFINISH THE UNDERLYING FIR FLOORING.

THE MONEY WE WERE GRANTED BY CAL. STATE QUESTERS ($\frac{1}{2}$ OF SAID GRANT UNPAID TO US) HANGS IN THE BALANCE. WE ARE BOUND BY A TIME LIMIT WHICH WILL EXPIRE IN THE LATE SPRING. I FEAR WE WILL LOOSE THIS MONEY IF SOME PROGRESS IS NOT FORTHCOMING ON TILE REMOVAL. I WILL BE REQUIRED TO RENDER A PROGRESS REPORT IN MARCH. NO PROGRESS TO REPORT!!

IT WOULD BE A SHAME IF OUR WORK ON THE RESTORATION OF THE TWO ROOMS, TO WHICH WE ARE COMMITTED, WOULD BE HALTED SO NEAR COMPLETION.

ANYTHING THAT COULD BE DONE TO FACILITATE THE SOLUTION TO THIS PROBLEM WOULD BE GREATLY APPRECIATED.
